**Thursday, May 26**, at the end of the first day of the conference, **BANCHE E SICUREZZA** invites speakers, partners and participants to attend a pleasant networking cocktail at the **Tom | The Ordinary Market**.

Born in the place of "Shu", the famous meeting point in Piazza Vetra, TOM is a polyhedral club, the perfect mix between restaurant and American bar.

An international venue, halfway between food-bar and restaurant-club, where, with the vintage flavour of the furnishings, you breathe the air of the New York East Village, together with the alternative notes of Berlin. But Tom is also an imaginary traveller, cosmopolitan; is a hymn to the recipes of the world, reworked by the Chef Alessandro Cresta, grew up between Spain and Peru.

## AGENDA

6.00 P.M. | *Pre-Dinner Aperitif*

Please confirm your participation to [segreteria@gentil.it](mailto:segreteria@gentil.it) until May 23°, 2016
